In the event that this Paper is late filed, and the necessary petition for extension of time is not filed concurrently herewith, please consider this as a Petition for the requisite extension of time, and to the extent not tendered by check attached hereto, authorization to charge the extension fee, or any other fee required in connection with this Paper to Account No. 06-1378.

The above-identified application is a continuation application of International application PCT/JP99/05972.

Certified copies of the two priority documents were filed by the applicants on July 2, 2001 and receipt of such certified copies was acknowledged by the Examiner in the May 24, 2002 Office Action (Paper No. 10).

B. The USPTO Communication mailed May 12, 2004 did not indicate that the AMENDMENT UNDER 37 CFR 1.312 filed on April 14, 2004 was entered. Such AMENDMENT UNDER 37 CFR 1.312 included amendments to the specification that were requested by the Examiner in the Notice of Allowability mailed on May 12, 2004.

In view of the above, issuance of a further Supplemental Amendment is respectfully requested to confirm receipt of the certified copies of the priority documents that were submitted by the applicants and to confirm entry of the AMENDMENT UNDER 37 CFR 1.312.

Respectfully submitted,

---
